

INCUBATORS

Octagon 10 Either semi-automatic or fully automatic turning cradle

Semi automatic

RRP £92.65

Call us for current best prices

Fully automatic

RRP £159.95

Ideal for first time breeders

Smallest incubator available with full temperature control. Extremely simple to use. Holds 10 hen eggs but adaptable for other sizes. Ideal for beginners to use with small numbers of quail, hen, duck or small goose eggs. Good too, for reptile eggs - (no turning necessary for reptiles).

Octagon 20 Auto Either semi automatic or fully automatic turning cradle

Semi automatic

RRP £159.95
