

# SUPPLEMENTS & PEST CONTROL

## Poultry Shield

1 litre £8.95    5 litres £19.95    10 litres £36.00

Controls red mite through the power of cleaning. Does not contain poison. Environmentally friendly. Non toxic. **Can be used without removing the birds.** Poultry-Shield is a multipurpose cleaner. In a 10% solution it is able to clean and remove organic matter present on material, equipment and cages by dissolving the fat present in the matter and rinsing it away

## Poultry Booster

100ml Squeeze & Measure Pack £3.25

Gets birds off to a good start. Reduces the effects of stress. Helps maintain peak production. Aids in disease recovery.

Poultry Booster is a liquid vitamin supplement for poultry, which is given at times when birds require a nutritional boost.

## Spectrum Multi-Vitamins

1 litre £17.50    5 litres £62.00

Gets birds off to a good start. Boosts vitamin levels during periods of environmental stress. Helps maintain rapid growth. Aids in disease recovery. Ensures maintenance of peak production. Aids in the preparation for onset of lay.

Spectrum is a general purpose multi-vitamin preparation for use at strategic periods wherever additional supplementation of a balanced multi-vitamin is required.

**All these products are suitable for use for day old to 5 days, 3 days prior to vaccination/drug treatment, 3-5 days during diet programme change, at times of disease challenge, peak production and other stress factors and during periods of heat stress.**

## Rat Bait Station

£5.59

**Probably the best value rat bait station available.**

This tough, polypropylene, tamper resistant, lockable bait station provides excellent access for rats and comes complete with rod for block baiting as well as grain.

## Rodex Rat Bait

1kg £8.99

3kg £18.50

6kg £38.65

Rodex Whole Wheat Bait (HSE 7713) is ready- for-use. It is formulated using whole grain, high gluten food grade wheat, is highly palatable and acceptable to a wide variety of rodents.

Rodex Whole Wheat Bait is approved for use as a professional and amateur use rodenticide and is cleared for use both indoors and outdoors.
